

ST. ALOYSIUS CATHOLIC SCHOOL

Lion's Roar: April 12, 2021

Dear Parents,

Happy Easter! We pray you had a wonderful break with your families! With summer approaching, we encourage you to take advantage of the summer readiness camps for Grades K-4. They are listed on the website under "Important Links".

The 8th Grade Students began switching classrooms the week before the Easter Break, and they did an amazing job! This week, we will be extending this to Grades 5-7. The teachers will help students manage the transitions of moving classrooms and using their lockers for organization and planning. By the end of the week, the students should be in a good routine with their new procedures.

Additionally, students in all grades will have recess with students from other homeroom classes, and the use of the cafeteria will increase this week. We are so grateful to have more flexibility on our campus due to many factors, especially that most of our faculty and staff are fully vaccinated. Please note that we will continue with cleaning and safety protocols that include face coverings for Grades 3-8, the use of desk dividers while consuming food in the classrooms, and limiting group work to the north, south, east, and west classroom partners in order to "contract trace" in case of an exposure. Please continue to take a personal health screening of your child each morning before sending him/her to school.

-Erin Candilora

"Lord, let your face shine on us." Amen
